

## Ministry of Local Government and Disaster Risk Management

---

Procurement Reference No: RFP 10-2023/2024

Development and Operation (design, build, finance, manage, maintain and operate of a Modern Urban Terminal at La Vigie, Curepipe

### Queries/Proposals

**To: All Potential Bidders**

Following to the consultation meeting held on 27 March 2024, the queries/proposals raised and the comments from the authorities were as follows:

SN	Queries/Proposals	Authorities Comments
1.	Whether a detailed survey plan of the land earmarked for the project was available.	The Ministry of Housing and Land Use Planning would transmit plans available at its end to the Ministry of Local Government and Disaster Risk Management. Thereafter, same would be communicated to all parties concerned. However, the successful promoter would have to carry out his own geotechnical survey.
2.	Whether the Land Drainage Authority could confirm the suitability of the plots of land earmarked for the project with respect to flooding and drainage issues.	The Ministry would request the Land Drainage Authority for the necessary information and the potential bidders would be informed accordingly.
3.	Whether there was a time line for the implementation of the extension of the metro line up to La Vigie.	The representative of the Metro Express Ltd informed that the metro project at La Vigie, Curepipe was expected to be completed by end of year 2025.

4.	Whether Metro Express Ltd could bring utility services (CEB, CWA, and WMA networks) up to La Vigie.	The representative of Metro Express Ltd informed that utility services would be brought to La Vigie for the Metro Express project only and that the successful promoter would have to make his own arrangements for utility services.
----	---	---

2. Bidders are kindly requested to take note of above.
